Lovingly opposing the homosexual agenda...

PETITION

YES I support the work of NoSpecialRights.net to lovingly oppose the homosexual agenda in every way.

Please inform my local, state, and federal elected and appointed officials on councils, commissions, and boards that I am unalterably opposed to the homosexual and GLBT agenda to obtain special rights for homosexuals and GLBTs through all of the following methods but not limited to these methods only:

- Adding the terms “gender identity” and “sexual orientation” to corporate, municipal, or philanthropic anti-discrimination statements
- Offering same-sex marriage, or same-sex civil unions
- Creating hate crimes legislation to criminalize speech that disagrees with homosexuals and GLBTs like public Bible reading
- Mandatory or voluntary sensitivity training of employees and officials in government offices as well as for students in schools
- Mandatory or voluntary homosexual and GLBT sex education for any grade level in the schools
- Mandatory or voluntary sensitivity training for employees in private or publicly held businesses
